

Please turn to Psalms 145 and Ephesians 3:16-19

The title of this message is called Unlimited.

This scripture is about Paul, the apostle, writing to the Ephesians church to strengthen them in their Christian faith.

The letter is a prayer in chap.3: 16 asking the Lord to empower them on the inside with the unlimited ability to be bold through the Holy Spirit.

The Lord said: I will put my spirit in you and you will live (Ezel. 37:14)

Another chapter says: In the last days, God says I will pour out my spirit on all people (Acts 2:17).

For us to comprehend that God is unlimited is almost impossible for finite minds to grasp. But God's power in our life is real. It is as real as me standing here.

God is in you, the Holy Spirit is in you living and moving.

Ok, now I'm not talking about the invasion of the body snatchers or anything like that. No, I'm talking about you having God's DNA. You are his sons and daughters.

The bible says for in him we live and move and have our being as some say we are his offspring (Acts 17:28)

This is about an unlimited God giving you an unlimited amount of him.

God is all-powerful, all capable, all knowing. God is infinite there are no limits restricting God.

We put our own limits on God. (Ps. 78:42-43)

That's why in Psalm David gives us an understanding of the person of God. It shows that God's faithfulness goes from generation to generation.

You are that generation.

Trust God is faithful.

I have two points that I will like to share with you on how God is limitless.

- 1) God's provision: He feed the five thousand
- 2) God's protection: He protected the three Hebrew boys in the fiery furnace

There is more that God requires of you, seek God.

In order to get something you have to do something. Pastor Paul posted this on FB.

Jesus is looking for those who will make him more by making themselves less.

The devil will try to stop them. The devil is defeated by God.

Now let's turn to our note sheet for the big idea:

God's love is unlimited and he promises us his faithfulness.

I have 6 points I want to share with you on a God filled unlimited life for living:

- 1) You must have faith in God and believe
- 2) Be unlimited with your thoughts; God will put his super on your natural
- 3) Be uncontainable; pray, read, ask for revelation and be prepared to expect the Lord to multiply his kingdom through you (soul winning)
- 4) Be unashamed; know who you are in Christ
- 5) Be unstoppable; share your faith with others
- 6) Be unafraid; God have not given you the spirit of fear

Now I know I said a lot of things today, but I want you to understand that the Lord said His kingdom will endure to all generations. Listen, you are that generation.

I know sometimes you can get stuck between a rock and a hard place and think that God has forgotten about you. On the other hand, you may feel like there's no answer to your problem. Or doubting if God is who he says he is. Why is He not helping me? Well, if you feel limited and don't understand what to do about your situation, God does.

Trust God He is faithful.
